You can check your child’s grades online!
Here’s How:

1.) Go to www.dadeschools.net

2.) Once on the Dadeschools.net page, click on the Parent tab (the orange one)

3.) On the Dadeschools.net Parents page, click Create Account

4.) The M-DCPS Acceptable Use Policy will display. Read the policy. If you are in agreement with the terms, click I Agree and click Next.

5.) The Parent Portal Account Registration System will display. Complete sections 1-4 and click Register.

**IMPORTANT:** If you do not have an email, one can be provided by M-DCPS. On section 3 of the Parent Portal Account Registration System, click/check the option I want M-DCPS to provide me with an email.

6.) On the Thank You message page click on, Click here to exit. The Thank You page will close.

7.) Next, please log in to your email account to view the email message sent to you to complete your registration.

8.) From the M-DCPS Portal Account Registration Confirmation email message, click on the link provided to complete the registration.

   *Note: If the URL does not display as a link, copy and paste the URL into the Internet browser’s address field.

9.) The Dadeschools.net page will open to process your request and create your account.

10.) Please wait while your Parent account is created. A Thank You message page will display upon completion. The Thank You page will display with your new Username (Parent ID). The password you created will not be displayed for security reasons.

11.) You will also receive an email message with your new Username (Parent ID). You will need your username (Parent ID) and password you created to log in the Parent Portal.

   *Note: It is recommended that this page and/or email be printed, saved, and filed for future reference.

12.) Click on, Click here to Login link. The Dadeschools.net Parents will display.

13.) From the Dadeschools Parents page, click Login to Parent Portal

14.) The M-DCPS Portal Login screen will display:

   - Type Username (Parent ID)
   - Type Password
   - Click LOGIN

15.) The Parent Portal page will display. Your personal information will be displayed, your name, parent ID, and email address.

16.) CONGRATULATIONS! Your account has been created. The username (Parent ID) assigned and the password you selected will be required each time you log in to the Parent Portal.

   If you need help, please feel free to contact any member of the Administrative team.
